FDIC INSURANCE

Federal Deposit Insurance Corporation (FDIC), through December 31, 2013, will insure each depositor to \$250,000 backed by the full faith and credit of the United States Government. Depending on account ownership, you may exceed the \$250,000. On January 1, 2014, the standard insurance amount will return to \$100,000 per depositor for all account categories except IRAs and other certain retirement accounts, which will remain at \$250,000 per depositor. The types of accounts that are insured are traditional types of bank accounts (i.e. checking, savings, trusts, certificates of deposit, and Money Market deposit accounts) which earn interest at a rate specified by the Bank and usually limit the customer to a certain number of transactions within a stated period of time. Individual Retirement Accounts (IRAs), traditional and ROTH, are insured up to \$250,000 by the FDIC. Certain trust accounts (where the assets of the account consist of securities rather than deposits) are not insured by the FDIC.

LaPorte Savings Bank is participating in the FDIC's Transaction Account Guarantee Program. Under that program, through June 30, 2010, all noninterest-bearing transaction accounts are fully guaranteed by the FDIC for the entire amount in the account. Coverage under the Transaction Account Guarantee Program is in addition to and separate from the coverage available under the FDIC's general deposit insurance rules.

TERMS AND CONDITIONS OF YOUR ACCOUNT

Agreement: This information along with any other information we give you pertaining to your account(s) is a contract that establishes rules which control your account(s) with us. Please read this carefully. If you sign the signature card or open or continue to have your account with us, you agree to these rules. You will receive a separate schedule of rates, qualifying balances and fees if they are not included in this document. If you have any questions, please contact us at (219) 362-7511.

This agreement is subject to applicable federal laws and the laws of the State of Indiana (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this information is to:

- Summarize some laws that apply to common transactions;
- Establish rules to cover transactions or events which the law

does not regulate;

- Establish rules for certain transactions or events which the law regulates but permits variation by agreement, and;
- Give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document.

As used in this information, the words “we,” “our,” and “us” mean the financial institution and the words “you” and “your” mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. The headings in this information are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases use the plural and the plural includes the singular.

Liability – You agree, for yourself, and the person or entity you represent if you sign as a representative of another, to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement. Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. This includes liability for our costs to collect the deficit including, to the extent permitted by law, our reasonable attorney’s fees.

Deposits – We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn “on us”). Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on the final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our “daily cutoff time” on a business day we are open, as received on the following business day that we are open. Daily cutoff times may vary by location.

Withdrawals – Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs in the space designated for signatures on the signature card may withdraw or transfer all or part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each person signing the signature card to endorse any item payable to you or your order of deposit to this account or any other transaction with us. We may charge your account for a check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable op-

portunity to act. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us, by any method we do not specifically permit, which is greater or less than any withdrawal limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations (if any) as your act of closing the account. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. See the Funds Availability Policy disclosure for information about when you can draw funds you deposit. For those accounts for which our Funds Availability Policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal.

We may require not less than seven (7) days notice in writing before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Regulation D. Withdrawals from a time account prior to maturity or prior to any notice may be restricted and may be subject to penalty. See your notice of penalty for early withdrawal.

Ownership of Account and Beneficiary Designation

These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representation as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Individual Account – Is an account in the name of one person.

Joint Account with Survivorship (and not as tenants in common) - Is any account in the name of two or more persons. Each of you intend that when you die the balance in the account (subject to any previous pledge to which we have agreed) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship and not as tenants in common.

Joint Account without Survivorship (as tenants in common) – Is any account owned by two or more persons, but none of you intend (merely by opening this account) to create any right of survivorship in any other person. We encourage you to agree and tell us in writing of the percentage of the deposit contributed by each of you. This information will not, however, affect the “number of signatures” necessary for withdrawal.

Revocable Trust or Pay-On-Death Account – If two or more of you create this type of account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating this account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, beneficiaries will own this account in equal shares, without the right of survivorship. The person(s) creating either of these account types may: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

Business Accounts – Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. We may require the governing body of the legal entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we receive written notice of a change from the governing body of the legal entity.

Stop Payments – You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. To be effective, your stop-payment order must precisely identify the number, date and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you sign the item or not, if you have an equal or greater right to withdraw from this account than the person who signed the item. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

Limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item.)

Telephone Transfer – A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to third parties, to a maximum of six (6) per month. Other account transfer restrictions may be described elsewhere.

Amendments and Termination – We may change any term of this agreement. Rules governing changes in interest rates are provided separately. For other changes, we will give you reasonable notice in writing or by any other method permitted by law. We may also close this account at any time upon reasonable notice to you and tender of the account balance personally or by mail. Notice from us to any one of you is notice to all of you.

Statements – You must examine your statement of account with “reasonable promptness.” If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bare the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement, but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations, forgeries, or any other errors in your account

within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us, the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Account Transfer – The account may not be transferred or assigned without prior written consent.

Direct Deposit – If, in connection with a direct deposit plan, we deposit any amount in an account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

Temporary Account Agreement – If this option is selected, this is a temporary account agreement. Each person who signs in the space designated for signatures on the signature card (except as indicated to the contrary) may transact business on this account. However, we may at the same time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

Setoff – We may (without prior notice and when permitted by law) set off the funds in this account against any due and payable debt you owe us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we set off, including any balance the due date for which we properly accelerate under any note.

This right of set off does not apply to this account if: (a) it is an IRA or other tax-deferred retirement account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal only arises in a representative capacity. We will not be liable for the dishonor of any check when the dishonor occurs because we set off a debt against this account. You agree to hold us harmless from any claim arising as a result of our exercise of our right of set off.

Authorized Signer (Individual Accounts Only) – A single individual is the owner. The authorized signer is merely designated to conduct transactions on the owner's behalf. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

Restrictive Legends – We are not required to honor any restrictive legend or checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00."

Payment Order of Items – The law permits us to pay items (such

as checks or drafts) drawn on your account in any order. To assist you in handling your account with us, we are providing the following information regarding how we process the items that you write. When processing items drawn on your account, our policy is to pay them according to the dollar amount. We pay the largest electronic items first (highest to lowest), and then paper items (highest to lowest). The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. Our payment policy will cause your largest, and perhaps more important, items to be paid first (such as your rent or mortgage payment), but may increase the overdraft fees you have to pay if funds are not available to pay all of the items. If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF). The amount of the overdraft and NSF fees are disclosed elsewhere. We encourage you to make careful records and practice good account management. This will help you to avoid writing checks or drafts without sufficient funds and incurring the resulting fees.

FUNDS AVAILABILITY POLICY

Your ability to withdraw funds at LaPorte Savings Bank

This policy statement applies to “transaction” accounts. Transaction accounts in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your accounts might also be under this policy.

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made the funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before our posted cutoff time on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our posted cut off time, or on a business day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM before 2:30 p.m. CST on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit at an ATM after 2:30 p.m. CST or on a business day we are not open, we will consider that the deposit was made on the next business day we are open. LaPorte Savings Bank owned ATMs where we accept deposits via ATM are at our Main Office, Chesterton Office, Cool-spring Office, Eastside Office, Michigan City Office, Rolling Prairie

Office, Westside Office and Westville Office locations.

Longer Delays May Apply

Case-By-Case Delays – In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. We may delay the availability of your funds up to two (2) business days. The first \$100 of your deposit, however, may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Please be aware that a hold may be placed on one of your accounts if we cash a check drawn on another financial institution. A hold may also be placed on one of your other accounts if we accept for deposit a check drawn on another financial institution. The funds will be available according to the disclosed schedule of availability.

Safeguard Exceptions – In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six (6) months.
- If there is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh (7th) business day after the day of your deposit.

Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000.00 will be available on the eleventh (11th) business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be made available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the eleventh (11th) business day after

the day of your deposit.

SUBSTITUTE CHECKS AND YOUR RIGHTS (CHECK 21) Important Information Regarding Your Checking Account

What is a substitute check?

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive with your account statement may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other laws.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your account earns interest) within 10 business days after we receive your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we receive your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at:

**LaPorte Savings Bank Operations Department
P.O. Box 548
LaPorte, Indiana 46352
(219) 362-7511 or 1-866-362-7511**

You must contact us within 60 calendar days of the date that we

mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you think the charge to your account was incorrect (for example, you think the amount withdrawn was incorrect);
- An estimate of how much money you have lost because of the substitute check charge;
- An explanation of why the substitute check is not sufficient to show whether or not the charge to your account was correct; and,
- Provide us with a copy of the substitute check and/or the following information that will help us to identify the substitute check and investigate your claim (for example: the check number, the name of the person to whom you wrote the check, and the amount of the check.)

ELECTRONIC FUNDS TRANSFERS (REG E)

This information pertains to the Electronic Funds Transfers System (EFTS) used by the banking industry. In this system, funds may be deposited to or withdrawn from your account by an electronic communications network, thus eliminating the need for monetary exchange via cash or checks. Electronic Funds Transfers are done only with your authorization. Common types of electronic funds transfers are ATM (Automatic Teller Machines) or POS (Point-of-Sale Terminal) transactions created by the use of a LaPorte Savings Bank ATM or MasterMoney Debit Card. Other types include, but are not limited to: direct deposit payroll, Social Security, direct debit payments, and (ECK) electronic check conversion. (From here on, LaPorte Savings Bank will be referred to as "The Bank" and ATM or Debit Card will be referred to as "The Card.") By retaining or using a Bank issued ATM or MasterMoney Debit Card, you agree:

- Your Card remains the property of the Bank and will be surrendered immediately to the Bank upon request.
- To abide by the rules and regulations of the Bank relating to the use of your Card and the performance of any EFT services.
- To notify the Bank promptly in writing of the loss of your Card.
- To be responsible for all authorized uses of your Card whether used at a full-service ATM, or an electronic cash dispensing machine, or a POS terminal.
- To be responsible for unauthorized use of your Card as disclosed in the section entitled "Lost or Stolen Card and Customer Liability Disclosures."
- If you use your Card to access an account that is no longer available or lacks sufficient funds to complete the transaction, the Bank may, at its sole discretion, charge or credit the transaction to another account.
- The Bank may cancel your Card at any time without notice.
- The Bank's liability to you for not completing a transaction will be limited as set forth in the section entitled "Bank Liability for Failure to Make Transfers."
- The Bank has the right to refuse a transaction on your account when your Card has been reported lost or stolen or when the Bank has reason to believe there is unusual activity on your account.
- You cannot use your Card for a transaction that would exceed your account balance. The Bank will not be required to complete any such transaction or any transaction that would exceed the daily authorized limit attached to your Card, but if it does, you agree to pay the Bank the amount of improper withdrawal or transfer upon request.
- To never allow anyone to use, borrow or obtain your Card and secret code. By giving your Card and secret code to another person, you take responsibility for all transactions made by that person or anyone else to whom that person gives the Card and secret code until you notify the Bank to cancel the Card and issue a new Card.

ACH and Wire Transfer

This information is subject to Article 4A of the Uniform Commercial Code – Fund Transfer as adopted in the state in which you have your account with us. If you originate a fund transfer for which

Fedwire is used, and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403 (a) of the Uniform Commercial Code. If we do not receive such, we are entitled to a refund from you in the amount credited to your account you have with us by wire or ACH. We are not required to give you any notice of the payment order or credit.

Electronic Fund Transfer Definitions

An electronic fund transfer is any transfer of funds initiated through an electronic terminal, telephone, computer, or magnetic tape for the purpose of ordering, instructing, or authorizing a financial institution to debit or credit an account. Electronic fund transfers include, but are not limited to the following:

- Point-of-Sale (POS) transfers.
- Automated Teller Machine (ATM) transfers. A deposit made at an ATM or other electronic terminal (including a deposit in cash or by check) is also considered an EFT if a specific agreement exists between the financial institution and the customer for EFTs to or from the account to which the deposit is made.
- Direct deposits or withdrawals of funds. For example, Social Security benefits under the U.S. Treasury's direct-deposit program are EFTs, even if the listing of payees and payment amounts reaches the account holding institution by means of a computer printout from a correspondent bank. In addition, a preauthorized transfer credited or debited to an account in accordance with instructions contained on magnetic tape is considered an EFT, even if the financial institution holding the account sends or receives a composite check.
- Transfers initiated by telephone.
- Transfers resulting from debit card transactions, whether or not initiated through an electronic terminal. A transfer from the customer's account resulting from a debit card transaction at a merchant location is considered an EFT (even if no electronic terminal is involved at the time of the transaction) if the customer's account is subsequently debited for the amount of the transfer.
- **Electronic Check Conversion (ECK):** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to:
 - a) Pay for purchases.
 - b) Pay bills.

Account Access

You may use your card and code to:

- Withdraw cash from your authorized checking or savings accounts through a STAR or CIRRUS ATM.
- Make deposits to your authorized checking or savings accounts via a deposit-taking equipped LaPorte Savings Bank ATM.

- Transfer funds between your authorized checking or savings accounts by using a STAR or CIRRUS ATM.
- Make payments by transfer on your Bank installment or mortgage loans through an ATM. Payments enclosed can only be performed at the Bank's ATM.
- Verify your current account balance(s) through a STAR or CIRRUS ATM.
- Pay for purchases at places that have agreed to accept the MasterMoney Debit Card.

***NOTE:** some of these services may not be available at all terminals. Transactions at non-LPSB owned ATMs may be subject to a surcharge assessed by the ATM terminal owner. In addition, a specified ATM or EFT network may not provide you with access to all of your accounts.

Limitations on Amounts and Frequency of Transfers

- With your ATM Card, you may make POS purchases up to a maximum of \$300.00 each calendar day.

- For security reasons, there may be other limits on the number of transfers that you can make using an ATM or POS terminal.

Preauthorized Transfers: The Bank is equipped to:

- Accept certain direct deposits to your authorized checking or savings account.

Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you contact us within two (2) business days after you learn of the loss or theft, you can lose no more than \$50.00 if someone used your Bank Card without your permission. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us AT ONCE. If you do not contact us within 60 days after the statement was mailed to you, you may not get back any money lost after 60 days if LaPorte Savings Bank can prove that we could have stopped someone from taking the money if you had contacted us. If a valid reason (such as travel or hospitalization) prevents you from contacting us, we will extend the notification time periods.

***CAUTION:** Knowledge of your Personal Identification Number (PIN) will allow access to your accounts by unauthorized persons if your card is lost or stolen resulting in possible losses to you as described above. **FOR YOUR OWN PROTECTION, DO NOT KEEP YOUR PIN NUMBER WITH YOUR CARD! MEMORIZE IT. IF IT IS NECESSARY FOR YOU TO RECORD AND KEEP YOUR PIN NUMBER WITH YOU, AS A PRECAUTIONARY MEASURE BE SURE TO KEEP IT IN A COMPLETELY SEPARATE LOCATION AWAY FROM WHERE YOU KEEP YOUR CARD.**

Charges / Debits

There is no usage charge for a ATM owned by LaPorte Savings Bank. We charge \$2.00 for each inquiry, withdrawal, deposit or transfer done at an ATM not owned by LaPorte Savings Bank. Please refer to the Truth In Savings Disclosure or a current Fee Schedule for other possible ATM fees.

Business Days: Our business days are Monday through Friday, weekends and holidays excluded.

Disclosure of Right to Receive Documentation of Transfers

Receipts: You will generally receive a receipt at the time you make any transfer to or from your account by using an ATM or POS terminal. (At some ATM or POS locations, you may have the option to request or refuse a receipt. If your ATM or POS transaction is below \$15.00, you may not receive a receipt at some terminals.)

Statements: You will receive monthly, an account statement showing the status of your account(s), EFT transactions made during the past month, and any charges which we may impose for such services or transactions on any account that has had an EFT transaction. You may not receive a monthly account statement(s) if there

are no EFT transactions in a particular month. In any case, you will receive a statement at least quarterly.

Preauthorized Credits: If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (219) 362-7511 to find out whether the deposit has been made. The Bank will credit such transfer as of the day the funds for the transfer are received. The Bank is not required to provide you with next day notification of preauthorized credits made to your account and we will not do so.

Notice of Varying Amounts: If regular payments being made from your account vary in amount, the person you are paying will tell you ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Stop Payment Orders

If you have told us in advance to make regular payments out of your account you can stop any of these payments by:

Telephoning us at: (219) 362-7511 or 1-866-362-7511

**Or writing us at: LaPorte Savings Bank
Operations Department
P.O. Box 548
LaPorte, Indiana 46352**

We must receive notice of your request at least three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) business days after you call. If you have correctly followed this procedure and we fail to stop payment as directed, we may be liable for your losses. This will also apply to payments of varying amounts.

Bank Liability for Failure to Make Transfer

If the Bank does not complete a transfer to or from your account on time or in the correct amount, according to our agreement with you, we may be liable for your losses or damages caused by our failure to complete the transfer. However, there are some exceptions. For instance, we will not be liable if:

- Through no fault of ours, your account does not contain enough money to make the transfer;
- The ATM where you are making the transfer does not have enough cash;
- The terminal or system was not working properly and you knew about the breakdown when you initiated your transfer;
- Technical difficulties prohibit a preauthorized transfer, and you knew about the technical difficulty at the time the transfer should have occurred, or;
- Any other circumstances beyond our control prevent the transfer, despite reasonable precautions that we have taken. (NOTE: There may be other exceptions stated in our agreement with you.)

Account Information Disclosure

We may disclose information to third parties about your account regarding a transfer you make ONLY:

- When it is necessary to complete transfers;
- In order to verify the existence and condition of your account for the third party, such as a credit bureau;

- If you give us your written permission.

Telephone us at: (219) 362-7511 or 1-866-362-7511

**Or write us at: LaPorte Savings Bank
Operations Department
P.O. Box 548
LaPorte, Indiana 46352**

Contact us as soon as possible if you think your checking or savings account statement(s), ATM or POS transaction receipt(s) show an error or if you need information about a transfer that appears on your statement. You must contact us within 60 days after we have sent your FIRST checking or savings statement on which the error appeared. When you contact us, please provide us with the following information:

- Tell us your name;
- Tell us your account number you believe the error is associated with;
- Describe the error or transfer you are unsure about and explain as clearly as possible why you believe it is an error or why you are requesting additional information, and;
- Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send us your complaint or question(s) in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error promptly. If we need additional time to address your concerns, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error. This enables you to have use of the money during the time it takes us to complete our investigation. If we decide that there was not an error, we will send you a written explanation within three (3) business days after we finish our investigation and, if appropriate, make any necessary adjustments to your account. You may ask for copies of the documents that we used in our investigation.

Amendments

We reserve the right to alter, amend or rescind these terms and conditions at any time hereafter as permitted by law, but effective

only upon 21 days prior written notice if the change will result in increased fees or charges to you, increase liability, fewer types of electronic fund transfer services, or stricter limitations on the frequency or dollar amounts of transfers.

NO BOUNCE ADVANTAGESM

Having a check returned due to insufficient funds can be a costly and embarrassing experience. That is why we provide "No Bounce Advantage"SM, a special overdraft privilege for LaPorte Savings Bank checking account customers.

No Bounce AdvantageSM gives you an added level of protection against unanticipated cash flow emergencies and account reconciliation errors.

At LaPorte Savings Bank, we do not encourage overdrafts. As always, we encourage you to manage your finances responsibly. The purpose of this privilege is to save you from the embarrassment, additional merchant fees or other problems that might result if a check is returned.

What is No Bounce AdvantageSM?

No Bounce AdvantageSM is an overdraft privilege service that requires no action on your part. You do not have to sign any additional forms to enroll. Your No Bounce AdvantageSM will be automatically assigned.

How does No Bounce AdvantageSM work?

As long as you maintain your account in good standing, LaPorte Savings Bank may approve your overdrafts within your current available No Bounce AdvantageSM limit. Whether your overdraft will be paid is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is not in good standing. Your account is in good standing if you (1) demonstrate responsible account management - such as making regular deposits to bring your account to a positive end-of-day balance at least once every 30 days (including payment of all bank fees and charges); (2) avoid excessive overdrafts suggesting the use of No Bounce AdvantageSM as a continuing line of credit; and (3) there are no legal orders, levies or liens against your account. Please note that the amount of the overdraft plus our Paid or Returned Item fee of \$30 for each paid item will be deducted from your overdraft limit. If the item is returned, our Paid or Returned Item fee of \$30 will be deducted from your account. No interest will be charged on the overdraft balance. **Please refer to the Customer Overdraft Policy for additional details.*

What does my No Bounce AdvantageSM cost?

There is no additional cost associated with this privilege unless you use it. You should be aware that you will be charged our Paid or Returned Item fee of \$30 for each item created by check, in-person withdrawals, ATM withdrawals or other electronic means paid under the limit. For example, three paid items in one day will result in \$90 in Paid or Returned Item fees. To help you manage your account, the total fees you have paid for Paid or Returned Items during the current month and for the year-to-date, will be

reflected on your monthly checking statement.

What is my No Bounce AdvantageSM limit? If I have two checking accounts, can I get No Bounce AdvantageSM on both?

Locate your account type below and make note the corresponding limit. If you have multiple accounts for your household, you may have a limit on all eligible accounts.

How do I know when I use the overdraft limit?

You will receive an overdraft notice in the mail each time items are paid. The notice will show the check number and our Paid or Returned Item fee of \$30. You will need to subtract the total fees when balancing your checkbook.

What if I go beyond my No Bounce AdvantageSM limit?

Overdrafts above and beyond your established No Bounce AdvantageSM limit may result in a check or checks being returned to the payee. The Paid or Returned Item fee of \$30 will be charged per item and assessed to your account. A Paid or Returned Item fee notice will be sent to notify you of items paid and/or returned.

How soon can I use my No Balance AdvantageSM?

If you are a new account holder, you may be able to use the overdraft privilege service 30 days after the account is opened, assuming you demonstrate responsible account management by making regular deposits to maintain your account with a positive balance, and there are no legal orders, levies or liens against your account.

How quickly must I repay my No Bounce AdvantageSM?

You should make every attempt to bring your account to a positive end-of-day balance as soon as possible, and must do so within 30 days. If you are not able to bring your account to a positive end-of-day balance within 30 days, you will receive a letter from LaPorte Savings Bank informing you of the situation and your options. If, thereafter, your account has not been brought to a positive end-of-day balance, we may suspend your overdraft privilege limit and take other steps to recover the funds.

NO BOUNCE ADVANTAGESM CUSTOMER OVERDRAFT POLICY

An insufficient balance can result from several events, such as (1) the payment of checks, electronic funds transfers or other withdrawal requests; (2) payments authorized by you; (3) the return of unpaid items deposited by you; (4) bank service charges; or (5) the deposit of items which, according to the bank's Funds Availability Policy, are treated as not yet available or finally paid. We are not obligated to pay any item presented for payment if your account does not contain sufficient funds.

However, if you maintain your checking account in "good standing," we may approve your overdrafts within your current available No Bounce AdvantageSM limit as a non-contractual courtesy. For overdraft privilege consideration, your account is in "good standing" if you (1) making sufficient deposits to bring your account to a positive end-of-day balance at least once every 30 calendar days (including the payment of all bank fees and charges); (2) avoid excessive overdrafts suggesting the use of No Bounce AdvantageSM as a continuing line of credit, and (3) there are no legal orders, levies or liens against your account.

In the normal course of business, we generally pay electronic transactions first and then checks, high to low, per the bank's policy. We reserve the right to change the order of payment without notice to you if we suspect fraud or possible illegal activities affecting your account. Also, please be aware that the order of item payment may create multiple overdrafts during a single banking day for which you will be charged our standard paid or returned item fee of \$30 for each overdraft item (paid or returned).

You may opt out of the privilege at any time, but you are responsible for any overdrawn balance at the time of opting out. Normally we will not approve an overdraft for you in excess of the predetermined amount assigned to your account type. So as not to exceed your limit, you should note that the amount of the overdraft plus the bank's standard paid or returned item fee of \$30 per item will be deducted from the overdraft limit.

We may refuse to pay an overdraft for you at any time, even though we may have previously paid overdrafts for you. For example, we typically do not pay overdraft items if your account is not in good standing as defined above, or if based upon our review of your account management, we determine that you have too many overdrafts or are using No Bounce AdvantageSM as a regular line of credit. You will be charged a standard paid or returned item fee of \$30 for each item returned.

You will be notified by mail of any non-sufficient funds items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item. The amount of any overdraft including our standard paid or returned item fee of \$30 that you owe us shall be due and payable upon demand, but if no demand is made, no later than 30 calendar days after the creation of the overdraft. If there is an overdraft on an account with more than one (1) owner on the signature card, each owner and agent, if applicable, shall be jointly and severally liable for all overdrafts inclusive of fees.

No Bounce AdvantageSM should not be viewed as an encouragement to overdraw your account. To avoid fees, we encourage you to keep track of your account balance by entering all items in your check register, reconcile your check book regularly, and manage your finances responsibly. If you would like to have this service removed from your account, please call our Customer Service Department at (219) 362-7511 or 1-866-362-7511.

Please note that your No Bounce AdvantageSM limit may be available for covering overdrafts created at the teller window, ATM, through a POS transaction, Online Banking and Bank-by-Phone services. The limit will not be included in the balance provided during an inquiry.

LIMITATIONS: No Bounce AdvantageSM is a non-contractual courtesy that is available to individually/jointly owned accounts in good standing for personal or household use. LaPorte Savings Bank reserves the right to limit participations to one account per household and to suspend, revoke, or discontinue this service without prior notice.
